

Subordination Request Form

Subordination Guidelines:

- Processing time is **4** business days.
- If approved, there is a **\$400** charge for the Subordination Agreement. We will send an invoice, and the charge will need to be collected on the Closing Disclosure at closing.
- In most cases, we are unable to subordinate to a new 1st lien amount that exceeds the original 1st lien amount subordinated.
- If the home was acquired within the last 12 months, the acquisition cost (purchase price) will be used to establish the CLTV.
- All requests are subject to approval and are evaluated on a case-by-case basis. Additional information may be required for final approval.

Below are some typical reasons that IBC First Equity may not re-subordinate to a current 2nd lien:

- Untimely payments to IBC.
- Substantial depreciation of the property.
- Increasing the 1st lien amount from the original amount subordinated (90% & 95%, even if over 12 months seasoning has occurred).
- Streamline refinances with no new value.
- Overall customer profile - multiple jobs, poor credit, increased debt, etc.

In order to process your request for a Subordination Agreement, you must submit by fax or email the documentation below along with this form.

1. Title Commitment

GF Number: _____

Title Co. Closer: _____

Title Co. Name: _____

Title Co. Address: _____
